

SCINTILLA ANIMA

BLACK

THE DAY ENDS

(Music: nangoo)

EMPTINESS OF BLACK

(Music: nangoo - Lyrics: nangoo)

It's deep in the dark black night
When everything is wonderfully quiet
Perceptions of another sight

I'm sitting in the emptiness of black
Everything - peacefully connect
Deep density shows its calm effect
Makes this moment forever perfect

Yesterday is already so far away
And the night suffocates the apathy of day

**But deeply, so deeply I'm sad
Only in this emptiness of everlasting black
I can't stop all my tears**

Sometimes I come across the hell
Sometimes I'm under a seraphically spell
These are the secrets of the night
These are the secrets of my fight

It's the night in me...

AWAKE

(Music: nangoo / DT - Lyrics: nangoo / DT)

Is it destiny
Or are we gliding like a leaf in the wind
Is it a masterplan
Something we cannot fight against

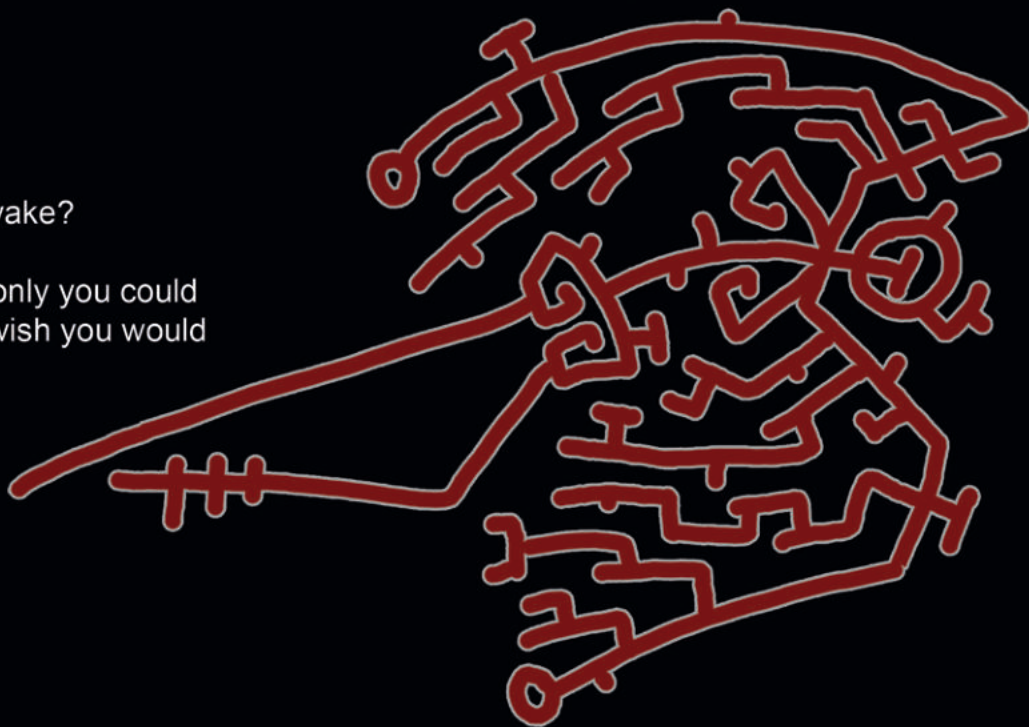

Gotta feeling
My stomach - a twisted rope
My head's exploding
When will it ever ever go

It's been a long long time
Why will you not a-wake up today!

I'm running
On streets with no names
Are we living
For delusion in disguise

Silence -
My spirit pines for a break
Oh please tell me
What will you do when you awake?

So please keep me warm - if only you could
Oh please keep me warm - I wish you would

UNDONE

(Music: DT / nangoo - Lyrics: DT / nangoo)

I don't know where I am
A lonely place
Forever lost in space
These are cold and rainy days

Take a look into my mind
Inside behind
But I deny myself
Reach for my dreams, I've pushed away
But I can't send even auspicious prayers

Is this real?
I can't see
And I feel
There's something wrong with me

Will time heal?
It could be
And I feel
I come undone

Love leaves the soul, feel quite depressed
It's hard to try
But I delude myself
Blinded by darkness in my heart

My soul is black - Wasted away
There is a gate
Forever closed with fear
Touch the unapproachable key
In desperation I will fall down on my knees

This is the devils dawn
Godless harm
Undone

BACK TO LIFE

(Music: nangoo / DT - Lyrics: DT / nangoo)

Angels and demons walk hand in hand
Garden of evil finds the way into wasteland

**Bring me back to life
I have lost a part of me
Give me a reason to believe in life**

Life - aimless life
Lets me down - all alone

And time - endless time
Sickens my soul - turns to stone

I can't see what they want me to see
I can't hear what they want me to hear

I can't smell what they want me to smell
I can't taste what they want me to taste

**Where the sun is shining bright
Give me a reason to believe in...**

CONFUSED

(Music: nangoo / DT - Lyrics: DT / nangoo)

Where are the angels?
Why they're gone?
Feeling helpless
I don't know, what I have done

Yes, I miss them
Why and where did they go?
Yesterday everything was fine with me

**For quite a while I'm standing here
Only demons won't disappear**

Where are the angels?
Have you seen them?
I feel out of place
And I wish I had a pair of wings

Forever and a day
Ain't no glory, there's no beauty
Without their ray of light

My mind's confused

Who'll rescue me?
Yesterday everything was fine with me

Yes, I've made mistakes before
My world is in their hands

BIG DEAL

(Music: nangoo - Lyrics: nangoo)

I speak out loud
What you don't dare
Look into my dark red eyes
And feel devil-may-care
I know all your wishes
All your appetites
Follow me, reward yourself
And you will shine in glamorous lights

It's dark insanity
The power of my obscurity
You can't hide, you can't fight
'gainst your avidity
Follow me 'til the end of time
One king, one crown, one reign
You're in this big deal with me

You can get what you want
Essence of eternal youth
Just encounter your own ego
There is no other truth
Sweet scent of fame and fortune
You can't escape from me
For thousands of years I play this game
Welcome to this lechery

It's the end and rebirth
From ashes and dust
Rises my kingdom of lust
I take possession of your mind
I take possession of your sense
In every fiber of your body I am in

The background is a dark, textured surface with faint, light-colored line art. The art depicts various figures, including angels with large, feathered wings and circular halos, and demons with horns, pointed ears, and mischievous expressions. Some figures are shown in profile, while others are more frontal. The line art is composed of simple, clean lines, giving it a sketch-like or etched appearance. The overall composition is symmetrical, with figures arranged around the central text.

A STORY OF INNER ANGELS AND DEMONS

SALVATION

(Music: nangoo / DT - Lyrics: DT / nangoo)

Walking in the dark
All through my life
There is no way out for me

Walking in the sun
No matter what I do
There is no way in for me

Feeling it's coming from deep inside
Feel the silence - Silence so deep inside
Wailing in somewhere so far behind
Feel the silence - Silence so deep inside

Gimme salvation...

Searching for a sign
Without a trace
I have left my home far behind

Finding nothing else
Than emptiness
Living on the edge all my life

Angel of mercy

VEIL OF SILENCE

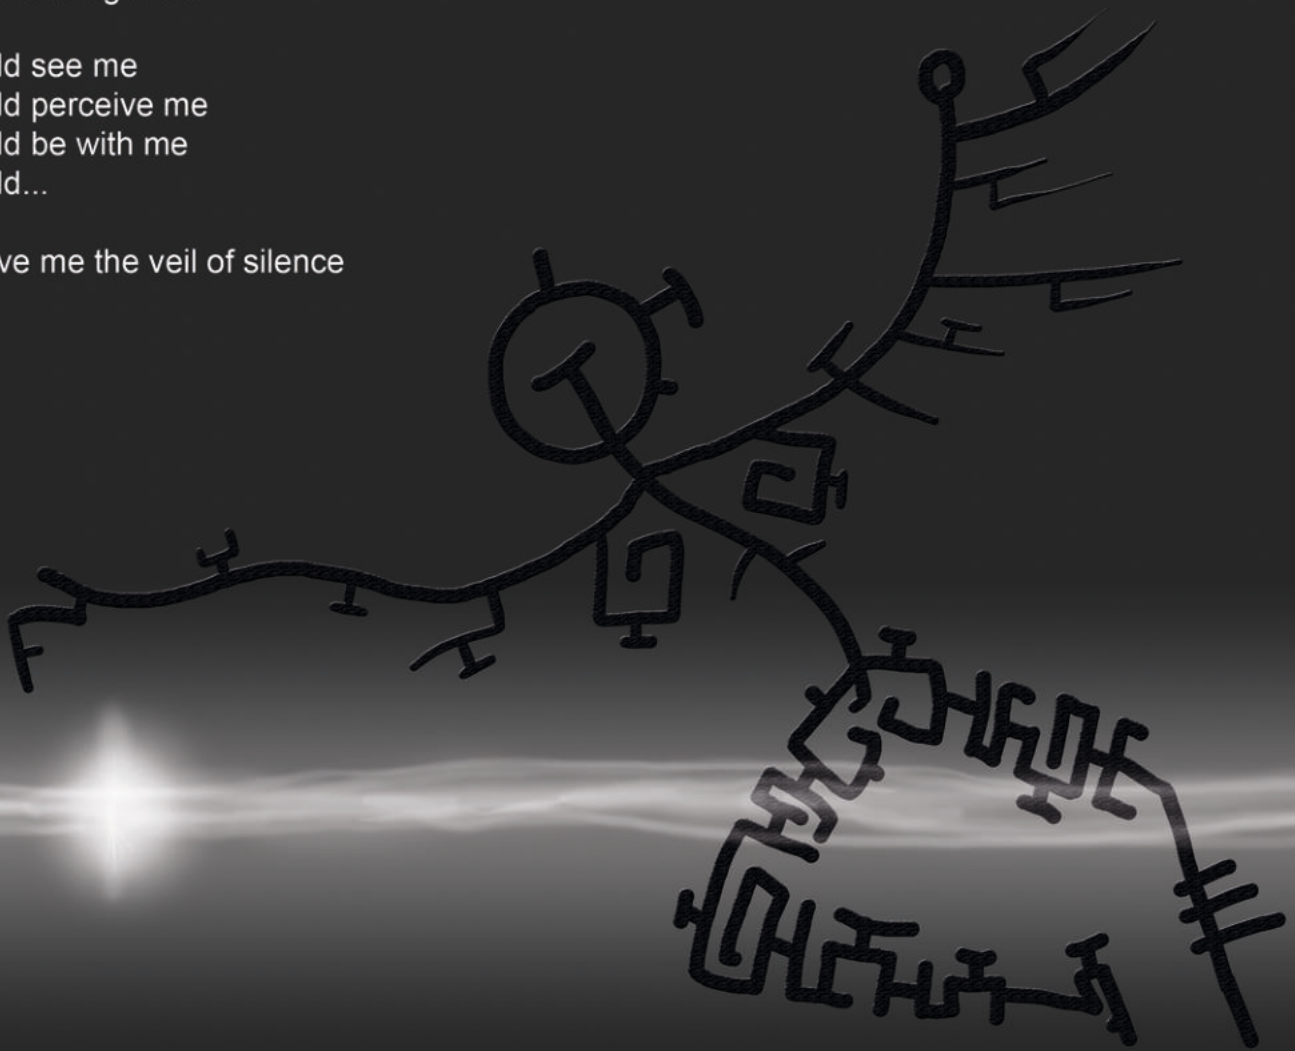

(Music: nangoo / DT - Lyrics: DT)

I wish you would touch me
I wish you would embrace me
I wish you would hold me
I wish you would love me

I wish you would hear me
I wish you would understand me
I wish you would forgive me
I wish you wouldn't forget me

I wish you would see me
I wish you would perceive me
I wish you would be with me
I wish you would...

But you only give me the veil of silence

FALLEN

(Music: nangoo / DT - Lyrics: DT / nangoo)

It might be that it is what I dreamed about
I saw something like a shining light in clouds
Maybe an illusion
A strange confusion
What I found
Suddenly before my eyes
It fell down to the ground

As I came closer there was a thin voice in my ear
It talked to me with soothing sound:
"You need not fear"
I bent over this being
And looked into his eyes
At once I understood
That it will never die

In sounds of spring and on summer morns
In autumn rain and in winter storms
He's still alive
I still feel the heat
Running through him with lightning speed

As I awake I thought about, it wasn't gone
I realized life sometimes sucks
But it goes on
If you fall stand up
You know it won't stop
Even if it hurts like hell
'Cause one day it's over...

TWO MINDS

(Music: nangoo / DT - Lyrics: DT / nangoo)

Angel
Hear me
This mind
Is just for me

You're not an - Angel
I know you - Hear me
You'll lose and - This mind
Is just for me

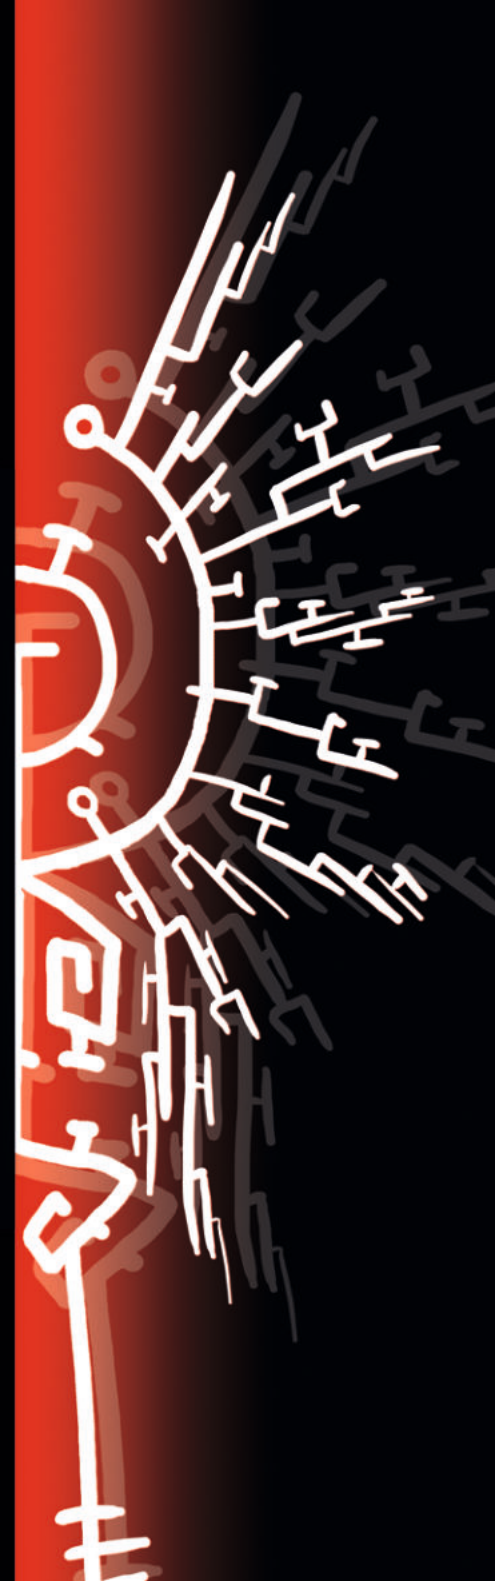

**I can see the shine in your eyes
But all your promises are lies
But all your promises will fall apart**

**I turn the brightest light into night
Paint your shining dreams in black
I'll paint your shining dreams all in black**

Two minds
Inside
Outside
Unbroken

You live in - Two minds
You feel numb - Inside
Life take place - Outside
Unbroken

Now it is time to realize
What's behind the inside of your mind
Everything has its price
Don't look back and you'll find... me

THE FIGHT BEGINS

(Music: nangoo / DT - Lyrics: DT)

a) The Stranger

And in the end there is a sky
He is a stranger, takes you high
Shows heaven full of fantasy
Which seems to be in harmony

Without a stain - beyond all blame
And without cease he plays his game
He will deceive you, take good care
He lies in wait for you, anywhere

You wonder if it's true
It sounds so wonderful
But listen carefully
To what he claims to be

So don't believe him
He's a liar and cheater
He makes you blind
You don't even get to

**Do you feel a light inside
Which will show you the right way?
And finally the fight begins:
"Should I go or should I stay?"**

Take a look at the other side
And you will find a place to hide
But is it a haven, which you need?
A place of safety - No, indeed!

You always rail against your fate
Sitting on the fence of love and hate
You need no tender loving care
Resist temptation - You wouldn't dare

The fight has still begun
You're always on the run
This is the great danger
I return to the stranger

He bludgeons you
You'll never realize it
So misguiding
Incredibly zestful

You will find a way
Listen what I have to say
Scintilla Anima burns inside
It will bring you back to life

It will be your guide
So believe me and hold on tight
Scintilla Anima burns inside
Come back to life....

b) The Gate

The fight begins...

Enter through the narrow gate
For the gate is wide
And broad is the road
That leads to the dark side
The choice is yours
Do you feel...

"Confused...?!"

Feel the heat...

Gimme salvation...

Searching for my ease of mind
Where are dreams no illusions...

Bring me back to life..."

The fight begins
In your soul
