

# VEIL OF SILENCE

*(Music: nangoo / DT - Lyrics: DT)*

I wish you would touch me  
I wish you would embrace me  
I wish you would hold me  
I wish you would love me

I wish you would hear me  
I wish you would understand me  
I wish you would forgive me  
I wish you wouldn't forget me

I wish you would see me  
I wish you would perceive me  
I wish you would be with me  
I wish you would...

But you only give me the veil of silence
