

BACK TO LIFE

(Music: nangoo / DT - Lyrics: DT / nangoo)

Angels and demons walk hand in hand
Garden of evil finds the way into wasteland

**Bring me back to life
I have lost a part of me
Give me a reason to believe in life**

Life - aimless life
Lets me down - All alone

And time - endless time
Sickens my soul - Turns to stone

I can't see what they want me to see
I can't hear what they want me to hear

I can't smell what they want me to smell
I can't taste what they want me to taste

**Where the sun is shining bright
Give me a reason to believe in...**
