

AWAKE

(Music: nangoo / DT - Lyrics: nangoo / DT)

Is it destiny
Or are we gliding like a leaf in the wind
Is it a masterplan
Something we cannot fight against

Gotta feeling
My stomach - a twisted rope
My head's exploding
When will it ever ever go

It's been a long long time
Why will you not a-wake up today!

I'm running
On streets with no names
Are we living
For delusion in disguise

Silence -
My spirit pines for a break
Oh please tell me
What will you do when you awake?

So please keep me warm - if only you could
Oh please keep me warm - I wish you would
